If ECA were to sponsor a booth at the NYS Sheep & Wool Festival in Rhinebeck, would you be interested in submitting fleece, yarn, or finished goods to be sold there? \_\_\_\_\_

Last year, several people were interested in submitting material for a consignment booth, but no one was available to organize or staff the booth. Would you be able to do so? \_\_\_\_\_

Please share any other thoughts you have on activities you would like to have ECA sponsor, on information you would like to see in Hoofprints, on ways in which you would like to participate more actively in ECA, and anything else you would like to share with the Board of Directors or the membership.
